

DATA SHEET

LOGITECH TAP SCHEDULER

Make it easy to find and claim the right meeting space with Tap Scheduler. This purpose-built scheduling panel integrates with solutions from Microsoft Teams, Zoom Rooms, Robin, and Meetio to signal availability from a distance, and provide meeting details up close.

SCHEDULING PANEL FOR MEETING ROOMS

Make the most out of every meeting space by helping workers easily find the right room — whether that's checking room details to make sure it's the right place, or reserving a room for impromptu or scheduled meetings.

With a spacious screen and sleek, unobtrusive profile, Tap Scheduler is designed for easy viewing and usability. Complete with glass, mullion, and wall mounts, Tap Scheduler can be conveniently installed outside any room. Its built-in cable management hides cables for a clean and professional look. Count on Tap Scheduler for reliable performance with durable components that are built to last.

PICK YOUR PLATFORM

Tap Scheduler can be easily configured as a Microsoft Teams Panel, as a Zoom Rooms Scheduling Display, and with other leading room scheduling solutions. Place Tap Scheduler outside any meeting space for a consistent experience across your deployment.

RIGHT PLACE, RIGHT TIME

Availability at a Distance

Quickly find an open room through green or red LED lights that indicate availability at a distance.

Details Up Close

See meeting details, claim rooms, and book meetings up close on a spacious 10.1" screen.

CLEAN AND CONVENIENT SETUP

Easily Install with Included Mounts

Place Tap Scheduler outside any room with the included mounts for glass, walls, and mullions for fast deployment.

Hide Cabling for a Clean Setup

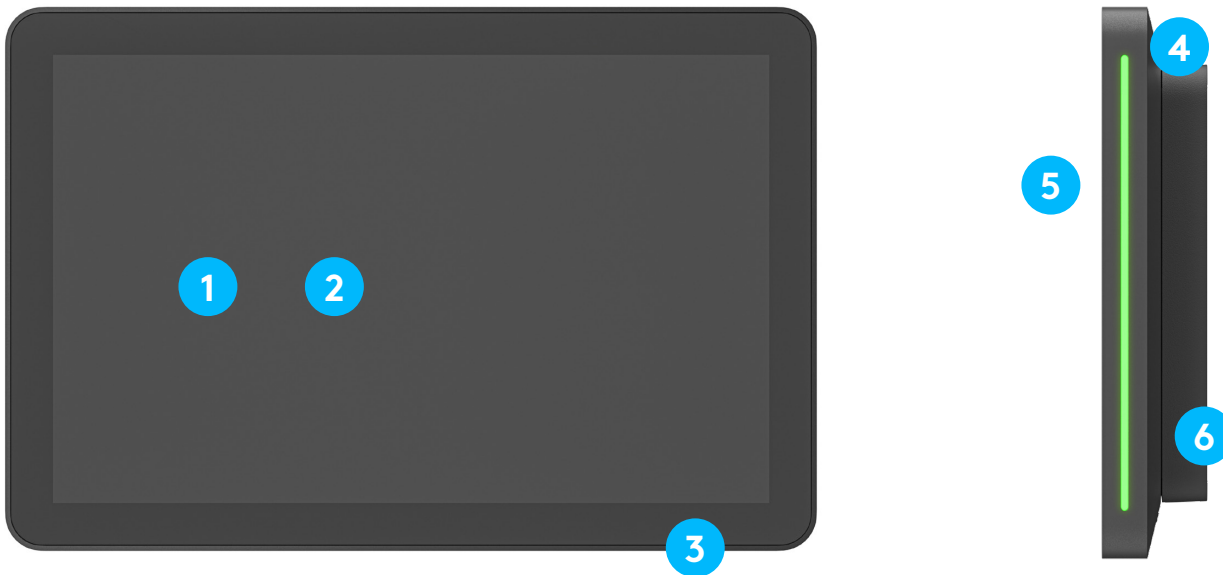

Multiple routing options hide cables for a tidy and professional install.

Expand Viewing Options with Angle Mounting

An optional accessory ideal for lower height placements or angled viewing, Tap Scheduler Angle Mount adds 14° angle to the device's mounting bracket, making it easier for people to read a room's meeting schedule.

PURPOSE-BUILT SCHEDULING PANEL

- 1 10.1" touchscreen:** Easily read details and reserve a room on the spacious and responsive touchscreen.
- 2 Anti-fingerprint:** Oleophobic coating resists fingerprints for legibility.
- 3 Durable build:** Components are built to last, with the screen sealed to protect parts and withstand regular cleaning.
- 4 Availability lighting:** Green or red status lights indicate availability from a distance without distracting from the surroundings.
- 5 Flat angle for accessibility:** Tap Scheduler is mounted flat against the wall for easy reading from a variety of heights.
- 6 Low profile install:** With no offset required, Tap Scheduler mounts flush to the wall for a sleek, unobtrusive presence.
